INTRO

AMSTERDAM BESIDES BEING STUNNING, CLEAN AND GORGEOUS IS THE CAPITAL CITY OF THE NETHERLANDS AND THE STAKEHOLDERS WOULD LIKE TO INVEST IN A NEW SOFTWARE DEVELOPER OFFICE IN THE CITY.

THE MAIN QUESTION THAT ARISES IS WHERE TO PUT THIS OFFICE SPECIFICALLY?

DATA AND SCIENCE

The used data is a 2016 data set of the districts and neighborhoods of Amsterdam.

These neighborhoods will be clustered and analyzed in order to find the best possible neighborhood in order to place the new software developer office.
